

**C-M-L TELEPHONE COOPERATIVE ASSOCIATION OF MERIDEN, IOWA**  
**Application for Streamlined Global Resale Authority**

**RESPONSES TO QUESTIONS 9, 10, 11 AND 12**

**Response to Question 9: Qualification For Streamlined Processing**

C-M-L Telephone Cooperative Association of Meriden, Iowa (“CML”) qualifies for streamlined processing pursuant to Section 63.12 of the Commission's Rules because: (a) CML is not affiliated with any foreign carrier in any destination market; (b) CML is not affiliated with any dominant U.S. carrier whose international switched or private line services CML seeks authority to resell; (c) CML does not seek authority to provide switched basic services over private lines to any country (much less, to any country for which the Commission has not previously authorized the provision of switched services over private lines); and (d) CML has no reason to believe that the Commission will inform it in writing that this application is not eligible for streamlined processing.

**Response to Question 10: Not Providing Services Over Private Lines**

CML is not applying for authority to provide switched services over private lines.

**Response to Question 11: Applicant Not Foreign Carrier or Affiliated with Foreign Carrier**

CML certifies that it is not a foreign carrier, and that it is not affiliated with any foreign carrier.

**Response to Question 12: No Service to Restricted Destinations**

CML certifies that it will not provide international telecommunications services to any destination country: (a) in which CML is a foreign carrier; (b) in which CML controls a foreign carrier; (c) in which an entity that owns more than 25 percent of CML, or controls CML, controls a foreign carrier; or (d) in which two or more foreign carriers (or parties that control foreign carriers) own, in the aggregate, more than 25 percent of CML and are parties to, or the beneficiaries of, a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.
